

# NEWS FROM TIMIȘOARA

The teenagers from the Elim Church in Timișoara will go to camp 24 -29 July 2023, and the children will go from 31 July to 4 August. Reach 2 Romania has 100 T-shirts to deliver for the children’s camp [photo right]. The Sunday school teachers will have a team building weekend 7-9 April, during which the camp program will be planned. The theme this year will be Joshua. A brand new campsite has been booked near Lugoj [below].

The hospital visiting team stopped work during Covid, and so far it has not been practical to restart again. They will not have a team building weekend this year. This is because a number of people are in the middle of their own team building programs with weddings and babies !

*“We are starting to make a group that will visit the old people from church that are alone or can't attend church due to sickness. For these people it's better to have a small team visit them at home. Sing a song together, read from the Bible, pray and just talk.*

*It means very much for them.” Paul Kiss.*

## TIMIȘOARA EUROPEAN CITY OF CULTURE IN 2023

Try a visit to Timișoara this year - as it celebrates City of Culture!

### OUR PROJECT MAP

The value of our material aid in the later years considerably outstripped our financial aid. Unfortunately material aid stopped at the end of 2020 due to Brexit, which led to a reduction in projects. The map shows green where we are continuing with financial support, red where we have ceased material support, and yellow where we have begun work in 2022. **Ed.**
