ENTRANCE HALL & TOILET BLOCK FOR TEIUȘ

Our main goal for 2017 is to finish the remaining work necessary in Teiuș, to the point where we can obtain a fire certificate and a sanitary certificate for the Hall. In March we started to build a toilet block and entrance foyer, which is the main part of the outstanding work for the sanitary certificate. This contains 3 toilets, hand wash area, and a utility room. So far we have allocated the remaining £11000 of the legacy from Vernon Antill for the building work. We will need an additional £3000 to install gas, heating and a hot water system for this extension.

The delivery of building materials in the Dacia pickup truck provided a new play opportunity for the kids; and of course sand can get used for making castles! **MW**

CHANGES AHEAD...

NEW UK ADDRESS - we will be moving in the next 6 months. Continue writing to our present address and we will use mail forwarding, until we can confirm our new address.

CHRISTMAS - we will not have a separate Christmas appeal in Autumn 2017. I no longer have the physical strength to cope. We will continue to send material aid as normal at intervals throughout the year - which can include items for Christmas. **Martin Woodhall**

Inside this issue: reports from Christmas, planning the summer camps, news from Teiuș, Berindei, Cornești and Timișoara.
