

TIMIȘOARA

Many thanks to Daniel Chan and Rowlinson Knitwear of Stockport for 500 children's sweatshirts. Half of these were sent to Timișoara for Christmas (and the remainder to our other project locations). This is the first time the children in Timișoara have received a Christmas present from us. There were a lot of smiling faces. Sorry we don't have space to show you photos of all 250 kids!

The children's summer camp program will be in the second half of July. Instead of having 120 children at one large camp, this year they will be split into 2 camps by age. Classes 1 to 4, and classes 5 to 8. This should be better for the kids, but will be an extra burden for the leaders requiring 2 weeks from work, if they choose to attend both camps. We have sent T-shirts for both these camps, and also another large camp of 180 young adults.

My translator Paul co-ordinates 20-30 young adults in a hospital visiting program. It is in my mind to try and support this initiative, but at the moment I am not sure how... **MW**
